Merry Witchmas: A Wicked Witches Of The Midwest Short (Wicked Witches Of The Midwest Shorts Book 10)

Synopsis

It's a Christmas from the past but the usual players aren't all that different. Tillie Winchester is annoyed with the world – what else is new, right? – and she's fraying under the pressure. Her nieces believe she's a bad influence on the youngest Winchester generation – especially an acerbic Thistle – and they want her to set a good example. That's not easy when she's fighting with her arch nemesis and trying to convince Bay, Clove and Thistle they didn't really discover a dead body at the annual tree-lighting ceremony. Between a baking contest she's determined to win, Thistle's deteriorating attitude, Clove's penchant for crying whenever the mood strikes and Chief Terry's suspicious nature as the fearsome foursome investigate a possible crime, Aunt Tillie has her hands full. It's Christmas, though, the most magical time of the year, and Tillie is determined to solve every problem – er, maybe make a few worse for Margaret Little if the opportunity arises – and deliver a happy yuletide extravaganza for her family. Buckle up and put on your combat helmet, because Tillie plans on plowing her way to happiness – and she doesn't care who gets in her path along the way. Note: This is a 28,000-word short novella set in the Wicked Witches of the Midwest world. It's set back in time so can be read at any point.
