ISBN-13: 978-0962381331

Product Dimensions: 9.1 x 6.2 x 1.2 inches

Shipping Weight: 2 pounds

Average Customer Review: 3.8 out of 5 stars See all reviews (4 customer reviews)

Best Sellers Rank: #2,746,968 in Books (See Top 100 in Books) #55 in Books > Science & Math > Chemistry > Safety #15080 in Books > Textbooks > Reference #251789 in Books > Health, Fitness & Dieting

## Customer Reviews

This book helps a reader navigate the maze known as Material Safety Data Sheets. As anyone who has ever faced the daunting task of completing these knows, these are very difficult to understand, even to the most brilliant of minds. With the help of this book, any MSDS novice can understand the essential elements of any of these forms. Although, it is somewhat dry, the content of the book has earned it place on my desk.

I found this book to be of limited use as a reference for the creation of Material Safety Data Sheets for my company. With the advent of GHS, it is of even less value. I cannot recommend it.

Great, had all of the info I needed and more.

Now out of date
