Fringe Station (Fringe Series Book 2)

Synopsis

Word of a new Uprising has been spreading, but getting recruits to sign up is proving to be a challenge. The CUF has put the colonies in a chokehold, restricting all actions and resources. Cut off from supplies and potential recruits, Captain Aramis Reyne and his two fellow captains devise a reckless plan for freeing the fringe stations and pulling the colonies free from the Collective. With enemies coming at them from every angle, they soon realize that everyone, even the fringe, want them dead.
