Perfect guide for persons who want to have a solid foundation about Pokemon Go. This is even better for persons who want to master the game..the book contains proven strategies and steps to be fully successful in the game. This book contains valuable information and is highly recommended for players of Pokemon Go

Pokemon Go is a game that ignited the world! Truly fascinating game. But like all games, and this one has some rules. A few days ago, I'm took PokemonGo application and I realized that I could not understand what was going on in the game. For this reason, I looked for a book and came across on this. Here I found everything I was interested in this game. I learned a lot of tricks and useful information, and now this game to me is a real pleasure. Indeed, a great book!

Okay, it is the season of Pokemon GO that almost everyone is actually doing or playing or whatever it is the people are doing now. And it is of course a big help if there are books about it. And so here is that book. I find this a very comprehensive read. It has about every little thing one needs to know about this latest craze so that he can do it better. It has given the tools needed, how to capture your first ever Pokemon, and so much more that this book is surely every Pokemon GO-er needs. One can really gonna catch them all.

PokÃ©mon Go is a fantastic game. Ever since I started playing this game I have been smarter and more energized than I have ever been. This book was able to show me new tips and tricks which I

could actually try when playing the game. I am really impressed with the way the book was written and formatted. The book looks so different from other Pokémon books I have read. Has it also provided the basics to the game and explained the use of some tools in the game.

This guide is very easy to read. This book was able to show me new tips and tricks which I could actually try when playing the game. The guide tells you everything you need to know without spoiling the rest of the game. Tells you about how to gain control over a gym and how best to manage it. I am impressed with the way the book was written and formatted. Has it also provided the basics to the game and explained the use of some tools in the game.

This book is very timely relevant this day where most people look for Pokemon game, this book contains proven steps and strategies on how to start up and rapidly progress to being a master at Pokémon GO. It also provides you with all the information that you need to know so that you can overtake our friends. You won't need to ask around and receive wrong information from everyone else anymore but you can take a notch by reading this.

My friend and I are planning to play pokemon go at the weekend so I am reading information regarding it to get an idea on the game to work for my advantage to win against my friend. This book is a good guide for me to go into the right places to spot the pokemon before my friend can catch it. It tells of where the pokemon is hiding and which place to best play with it after downloading the application. Enjoyed reading this book!

All in all, who were Pokémon Go will go groom here. With continual update to the Pokémon Go formula, options and game services being extend, servers being strengthened, and the inclusion of other nations throughout the world being open to the service only time will tell where it will go. However, all in all, it's a positive thing, and as long as you stay safe. Go out there and catch as many Pokémon as you can.
