Chumash: The Gutnick Edition - Book Of Deuteronomy - Kol Menachem (Full Size)

Synopsis

The Gutnick Chumash has gained wide acclaim as one of the top Chumashim available today. It has a modern English translation of the Torah which incorporates and remains faithful to Rashi. The 'Classic questions' are drawn from a range of commentators, Midrash and Talmud. It is the first Chumash to include a commentary anthologized from the works of the Lubavitcher Rebbe. Beautifully bound in a hand-tooled leather style cover, both interior and exterior are sure to impress.

This is the most readable commentary on Torah that I have had the pleasure of reading. While it primarily draws from Rashi, it explains the commentary in plain English, making the interpretations very readable, even for one who is not a Torah scholar. It probably has more depth in the commentary section than any other Chumash I have read including the Art Scroll version. I also enjoy the Chasidic insights that are given in each Torah portion. I would, however suggest that rather than buying the full size version that you consider the option of purchasing the volume in a 5 book set as they are much lighter and have larger print. The 5 volume set, also available at , costs a bit more, but it is well worth it. Just a great addition to my Judaica library. As usual shipping from was prompt even though I used the free shipping option.

an excellent addition to my library, i plan to follow up and get more of his works and titles. excellent author, great content and physically the book is of great quality. an excellent addition to my library, i plan to follow up and get more of his works and titles. excellent author, great content and physically

the book is of great quality. i use this book everyday in our studies and weekly in our study group

This is an amazing Chumash with the best rabbinical commentary a person can ask for. If you are a fan of the Stone Edition Tanach, this will be a step up for you. I used to the Stone Edition for many years and then I stumbled on this. And I was so impressed with the Deuteronomy edition that I had to buy the complete Chumash. If you are looking for Chassidic thought through every premise in the Torah then you will want this Chumash.
