Customer Reviews

I am a huge fan of Fern Michaels, so this book that book which lists all her books is just what I was looking for. It is not a story, but a great tool to use as a checklist to books that have been read and lists them in reading order.

This was my first book on my Fire and it was a very good choice as it was enjoyable from first to last page and a very good read. I enjoyed the story line and the experience of reading it on my Fire. Ready to start another Fern Michael's Sisterhood series book.

Excellent & informative for developing a reading plan. Enjoyed the first book of the Sisterhood Series, this book was helpful in locating the other books in the series.

Not really a book to read - just the reading order. I could have done it myself.
