I am so thankful to have this deeply helpful and simply presented book . It can help everyone.. you don't have to be Jewish to relate. Here is a quote from google page about the book.

This is one of the very best books of Reb Shlomo's teachings. Don't be kept away by the accusers. The story is not so simple. Shlomo shed some darkness but he lit up the world with God's light. Read and see.
