ISBN-13: 978-1565043503

Product Dimensions: 8.5 x 0.3 x 11 inches

Shipping Weight: 8 ounces

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (11 customer reviews)

Best Sellers Rank: #1,165,559 in Books (See Top 100 in Books) [#33 in Books > Science Fiction & Fantasy > Gaming > World of Darkness > Werewolf](#) [#186 in Books > Science Fiction & Fantasy > Gaming > World of Darkness > General](#) [#539 in Books > Humor & Entertainment > Puzzles & Games > Reference](#)

Customer Reviews

I am a staunch White Wolf player, and have purchased 80% of my books right here from .com. They're faster and more reliable than my local retailer, so I've amassed almost every Werewolf: the Apocalypse book in print, with a large collection of Vampire: the Masquerade. This was my first Black Dog book, and also one of the more useful ones I own. White Wolf seems to not go so much "adult" in terms of pornography as it does on a "lets see how gross we can make it." The entry comic is enough to turn a weak stomach, so definitely keep it out of children's hands -- just as the company suggests. It had a healthy spattering of profanity which wasn't necessary at all times in this reader's opinion, tossing it in possibly to put the "adult" rating on it instead of for emphasis. In today's era, however, that's easily overlooked. Once you get past the general disgusting aspects, or if they don't bother you, the book itself is an excellent resource. It develops the Formori by leaps and bounds over the Book of the Wyrms First or Second Editions. In Freak Legion, you not only learn the in depth history of various Fomori types and breeds, but you also have a full list of how to create and build them with the special powers (and the taints it costs them to be in servitude to the Wyrms.) It was very informative, and excellent fodder for even the Vampire Storyteller who might want to introduce a new element into their game to throw off players who have already "been there, seen that, done that" with V:tM.
