## Customer Reviews

Are you fielding the Lizardmen? Then you know you need this book. Either from or from the GW site, you'll pay a fair amount of money. If you're looking for a cheaper price, your best bet is to fish in gaming stores. But I doubt you'll find one unless you're already in the community of tabletop gamers.

I love the new codex book for Lizardmen! Beautiful color pictures, interesting flavor text, and everything I need for my army.

Excellent rules update. Unfortunately as with the last two updates if you have any of the old skinks with short bows as many of us do, your s.o.l. The new rules set now puts more than half of the previous edition's miniatures collecting dust! Good job, Games Workshop!
