Clanbook: Nosferatu, Revised Edition (Vampire: The Masquerade)

Synopsis

Clanbook: Nosferatu, Revised, the first entry in the ambitious revised lineup of clan books, complements the clan's appearance in the revised edition of Vampire: The Masquerade. All-new information accompanies a re-examination of earlier concepts, allowing you to add as much depth to your character as you like. The sheer volume of information contained in the new clan books (each 32 pages longer than the first-edition series) permits Storytellers to round out their chronicles.

Book Information

Paperback: 104 pages

Publisher: White Wolf Publishing (March 10, 2000)

Language: English

Customer Reviews

First, you have to understand that I liked the old Clanbook Nosferatu so much, I gave a copy to a gaming friend as a gift. Like the original, this is still a very good book. It contains lots of material necessary for working with Nosferatu characters in VAMPIRE THE MASQUERADE along with much useful new material. Not all changes were improvements, however. One thing that's missing is the way the art and layout of the original book captured the experience of visiting the Nosferatus' subterranean world. This book seems to have all new artwork and it is definitely top of the line but now the visual theme seems to emphasize more the grotesque horror of the Nos themselves rather than their environment. The humor seems to be mostly gone, too, and efforts to replace it just don't measure up. The new fiction, seems to be the same story as in the original but from the victim's point of view- which softens its impact somewhat. In place of that, there's a lot of text spent on giving the points of view of different political factions within the clan. Unfortunately, parts of this are so long-winded that I got bored and skipped what turned out to be the important part. Editing problems

aside, the new details in this book about Nos society- the work on the autarkis Nos, for example- are generally good. Merits and Flaws are included as in the original version- really helpful, I think, in custom tailoring your Nos character's deformities. Missing is something that I would really expect in an update of this series: better intergration of material about the Sabbat. But here in the Nos opinions of other clans they are still just lumped together as "Sabbat".
