Wicca Magical Deities: A Guide To The Wiccan God And Goddess, And Choosing A Deity To Work Magic With

Synopsis

Want to start practicing Wicca? Need to learn more about the God and Goddess? Looking to call on powerful deities when working magic? Then this is the book for you. *Wicca Magical Deities: A Guide to the Wiccan God and Goddess, and Choosing a Deity to Work Magic With* contains the answers to all these questions and more. Written by best-selling Wiccan author Lisa Chamberlain, *Wicca Magical Deities* draws on the author's experiences as an active practitioner, delivering information in a clear, concise, and easily digestible way. Perhaps the biggest difference between Wicca and other religions is the belief in a dualistic form of divinity. Rather than worshipping one god, Wiccans believe in a God and a Goddess, representing the male and female energies of the Universe that can be found in all of nature. Wiccans also believe that individuals can do more than simply pray to a supreme, all-powerful God and hope for the best. Instead, many Wiccans co-create with the forces of nature by linking their own personal energy with the divine through ritual and magic. Pioneers of Wicca and modern Witchcraft were piecing together what they envisioned as "the Old Religion." • With little historical information available, these spiritual pioneers drew from the occult knowledge of prior centuries and ancient civilizations – this included the deities they worshipped. This has seen gods and goddesses like Osiris and Venus essentially reclaimed by Wiccans, as well as other deities from pantheons of lost ancient civilizations. Many Wiccans call upon these deities during magical rituals and they honor them at various points of the year. You will learn: The origins and views of the God and Goddess. The various forms of the Wiccan deities, including the Triple Goddess's three aspects. How to represent the God and Goddess on the Wiccan altar. The mythology, cosmology, and magical practices of several ancient civilizations. The most popular deities of the Egyptian, Roman, Greek, and Celtic pantheons. How to choose your deities. How to work magic with your chosen deities. In other words, *Wicca Magical Deities* will teach you everything you need to know about the God and Goddess and the Wiccan concept of divinity! Customer Reviews

This new book by Lisa Chamberlain focuses on the ancient pantheons: Egyptian, Celtic, and Greek & Roman myths and legends. It is a good primer - and also includes very helpful charts along with a guide to further reading!

I enjoy these books so much. I am new to the Wiccan family so these books are insightful and very easy to understand!!

I love Lisa Chamberlain!! All of her books are great. This book gave a great intro to Egyptian, Greek, Roman, and Celtic deities. She even talks about how, even though the Greek and Roman gods are very similar, they are different.

Nice introduction to Egyptian, Greek/Roman, and Celtic deities. I like the tables. The only thing I think would make it better is illustrations.

This book is a really good book for someone who is just learning about God and goddesses. It gives you good information to start on.
