Customer Reviews

If you're a warhammer 40k fan, or have played Warhammer Fantasy RPG. Dark Heresy a must have. The rules are similar to WFRP, but have a number of refinements that make for a better game. The GM kit includes a great GM screen. Everything you need is there. (I use it even when I gm a game online.) The art work very good, and the screen is sturdy. The xenos creation rules are handy. The adventure is short, and only so so. The poison rules are okay, but could easily be replaced with house rules. Buy it for the screen as the rest is okay, but not compelling.

I highly suggest this for any Dark Heresy players. Forget going back to the book every second for information, this is a must have for anyone who is gm-ing or knows a friend who GM's. The gm-sheild is high quality, and thankfully they give another story to add onto the 40k world. As i said, This is a great thing for any Dark Heresy players.

Was expecting more for the xenos generator but is very good on the reference materail.

This was a really good screen for a pretty complex game. I didn't do much with this game, but the screen was a must for when I did.

Unfortunately the vendor forgot mention that this product wasn't complete. It was missing the screen, and the is the whole reason I bought it.
