Dimensions Of Human Behavior: The Changing Life Course

Synopsis

In this Fifth Edition of her acclaimed text, Elizabeth D. Hutchison uses her multidimensional framework to examine the influences that can impact human behavior across time. Thoroughly updated to reflect the most recent developments in the field, the book weaves its hallmark case studies with the latest innovations in theory and research to provide a comprehensive and global perspective on all the major developmental life stages, from conception through very late adulthood.

• The companion text, *Dimensions of Human Behavior: Person and Environment*, Fifth Edition, examines the multiple dimensions of person and environment and their impact on individual and collective behavior. Together, these two texts provide the most comprehensive coverage available for Human Behavior courses. Order the books together with bundle ISBN: 978-1-4833-8097-1.

• "Overall, I believe Elizabeth Hutchison has done an outstanding job in addressing the unique biopsychosocial aspects associated with each stage of development along the life course."

• "David Skiba, Niagara University

• "The explicit focus on and reiteration of social work competencies throughout is particularly impressive and helps students preparing for licensure to draw concrete connections between the knowledge in the text and what they will be expected to know."

• "Jamie Mitchell, Wayne State University

• "The use of cases and questions offered the connection to context that we were looking for."

• "Gwenelle S. O'Neal, West Chester University

• "Great introductory textbook covering material related to Human Behavior in the Social Environment at an appropriate depth and breadth."

• "Lisa M. Shannon, Morehead State University

Customer Reviews

This is a great book focusing on the human experience from birth to late adult hood. This book really helped me in my generalist social work class and I learned a ton about humans and life itself! I recommend reading this book if you are interesting in the human race and what makes us all tick! Very interesting read!

Needed for social work degree, first I rented it but ended up keeping it for reference book.

Elizabeth Hutchinson gives good information in an easy to read format. I really appreciate the effort put toward making this good for students.

Received book damaged. Looks like a razor blade cut. However the cut does not go through the whole book... Just index and beyond.

Very helpful for school. The best part is being able to rent for an affordable price.

Interesting Textbook, grabs the readers attention. Shipping was fast too.

Informative and a good book! Helped me through college a lot. Thanks.

It's a book for class. It will be of value for years to come
