Customer Reviews

thanks for creating this guide. I love playing this game and i know all of you also like angry birds. I like this game alot but as i passed on to higher levels things very getting harder and I got irritated by trying to pass the level. then I got this guide and got solutions to all my problems. This guide contains very useful tricks and walkouts for each level which are just awesome. I am now far ahead in levels then my friends. thanks for it

In the short time I've used it, I like what I've seen. Everything is decently accurate and simple to find. I've really improved my skills. Wish I had this earlier. Recommended
