Bitten: A Vampire Blood Courtesans Romance

Synopsis

What would you sacrifice to save the one you love? Your money? Your body? Your blood? Vampires are real and I'm in trouble. Fifteen grand to a vampire mob boss kind of trouble, and I have no way of paying the debt. Blood isn't all the vampires are after--sex is their most sought after commodity and the one thing I've never had. So I do the only thing I can to survive, I become a Blood Courtesan. I've been sold to the highest bidder--a dangerous vampire new to Boston and someone no one wants to mess with. Only one man can come to my rescue--the vampire enforcer with a killer smile--Kol. But as I step into the vampire den and I'm forced to bare my body and my mind, doubt slowly creeps in--I don't think he'll be back in time to save me.

Customer Reviews

****I was graciously provided an ARC in exchange for an honest review. All thoughts and opinions expressed are my own.****If you love vampires, then you donâ™t want to miss this amazing new series The Blood Courtesans! Each story is the brainchild of a different author and her ladyâ™s adventures in this unique vampire world. Bitten involves Nova and her boyfriend Jared, who turns out to be a real sleaze/dip-sh\$T in every since of the word!! Unbeknown to Nova, Jaredâ™s

unscrupulous actions have put him in debt to a very dangerous vampire and Kol is the enforcer sent to collect. Upon meeting Nova, Kol is immediately intrigued with her and vice versa. After getting a brief extension on time to come up with the money owed, Nova proceeds to scrape together as much as she can which includes selling her car and she even contemplates selling the home left to her after her mother's death due to illness. She does this out of a love that is sadly misplaced in the wrong man. Unable to come up with all of the money, Nova pays a visit to the vampire's place of business in hopes of working something out, where she once again runs into Kol. Though he admires her bravery, he tells her in no uncertain terms that she is in way over her head and that she needs to leave at once. In the meantime, sleazy Jared finally shows his true colors when he convinces Nova that he has found a way to erase his debt. All she has to do is become a "Blood Courtesan" to the highest bidder for one night with no sex involved, just an exchange of blood only, which is a bold-faced lie that Nova finds out too little, too late. But she will honor the signed contract out of her sense of misplaced duty to Jared.
