Hardboiled: Not Your Average Detective Story (The Lillim Callina Chronicles Book 5)

Synopsis

When Lillim Callina takes a case from a local police detective, she finds herself trapped in the Greek Underworld alongside Thes, the captain of her high school football team. To get back home, she'll have to fight her way through Tartarus, cross a river of fire, ascend the stairs into Hades, and battle Spartacus himself. It's a good thing Thes is a werewolf because, otherwise, she'd be screwed. Hardboiled is the fifth book in The Lillim Callina Chronicles, an urban fantasy series by New York Times Bestselling Author, J.A. Cipriano. Readers who enjoyed Jim Butcher's The Dresden Files, Patricia Brigg's Mercy Thompson series, or Kevin Hearne's The Iron Druid Chronicles will likely enjoy this paranormal adventure. *Prequel 1: Wardbreaker (ASIN: B015XBES6M) is on sale for only \$0.99! **Book 1: Kill It With Magic (ASIN: B00NLZMRO8) is on sale for only \$0.99! **Book 6: Mind Games (ASIN: B0177IZLZG) is on sale for only \$3.99!*

Customer Reviews

Received this book in exchange for an honest review. Okay... so this book started with the "dumb

teenager on adventure" cliché, which, to be honest, made me somewhat expected it to be not this good. I am going to list what I like and dislike about it: Like- The ending of the chapters: it's kinda cliff hanger - y so it'd make the readers want to read the next one.- The events in the book are detailed, so far no plot holes that I found.- The last 2 chapters basically left me go WTF. Good idea there, Cipriano. Dislike- The first 50 pages or so were kinda repetitive. I still have the word "reverberate" stuck in my mind right now.- Lillim's character: okay, this is the only book that I've read in the series. But she's supposed to defeat numerous supernatural creatures before, right? It seemed to me that she's really egotistical, always thinking that she could easily defeat something and then went "Oh s****" in the end, then BOOM! Something magically happened or she's regained her power and now's fine.- Japanese -y weapons powered by Egyptian gods and goddesses sound really corny.- Lillim's feelings for Connor made the book less interesting. Just my thought.- Book cover. (not going to count this in my rating though)- "Main character's parent(s) conveniently go out for an extended business trip, etc. so the main character could do whatever the hell they want." thing.- Dude keeps being obsessive that his daughter has a normal life. "Normal teenage girl things" is also stuck in my head.- Thes got naked. Lillim blushed. Somehow reminded me of Twilight (sorry for comparing that trash to your book).- "Yes.
